## Jordan Valley School is looking for new Community Council members!

### What is the School Community Council?

“Parents act as the primary advocates for all children. By working as a group and understanding the legal responsibilities that lie with the principal, parents ensure the representation of various viewpoints and values within the community. Parent engagement is a key element to student achievement and student progress. In addition to the development of the school improvement plans, SCCs provide input and feedback on school and district programs. Your voice is considered to be representative of the school’s community.” (Canyons School Board) Serving on our School Community Council is a wonderful way for parents and teachers to contribute and help improve academic and functional skills performance at our school. The school receives an annual dividend from the School Trust Lands. Our council decides how these funds will be used. The council reviews and prepares other academic/life skills plans for our students each year. All plans are reviewed for final approval by our school board.

If you are interested in being part of the Jordan Valley **School Community Council**, call the main office to sign up (801-826-7200) or return this form to the main office by Friday, September 13<sup>th</sup>.
