JVS Principal's Message/School Community Council Candidate Form

September 2015

Thank you everyone for your amazing support at our Back to School Night held September 1st. We had over 300 people attend our outside carnival and BBQ. Some classrooms had 90% parent/guardian attendance. Teachers enjoyed showing off their classrooms and their plans for your Jordan Valley student for the year.

Mark your Calendar for Parent Teacher Conferences: They will be October 7th and 8th from 4:15-8:15. Your student's teacher will call you and personally invite you. Our PTA will be having a meet and greet for families each evening with snacks provided.

It is time to join our **School Community Council**. See the information below on how to join. Please by this Friday the 18th of September call the main office to sign up (801-826-7200) or get this form into the main office by then.

JORDAN VALLEY SCHOOL School Community Council Candidate Form

Serving on the School Community Council

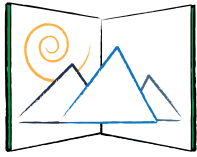

Serving on our School Community Council is a wonderful way for parents and teachers to contribute and help improve academic and functional skills performance at our school. The school receives an annual dividend from the school trust lands. Our council decides how these funds will be used. This year our school received about \$5,900 from the School LAND Trust Program. The council reviews and prepares other academic/life skills plans for our students each year. All plans are reviewed for final approval by our school board. Councils also act in an advisory capacity to school and school district administrations.

Qualifications

Every public school in Utah has School Community Council. The councils are made up of school employees who are elected by employees and parents who are elected by parents of students attending the school. Membership terms are for two years. Elections are held at the beginning of each school year.

Parent/guardians members must have a student attending the school at least one of the two years of their term of service. Employees must be employed by the school district at the school.
