Classroom Spotlight

Mrs. Rust has returned from maternity leave and we're so excited for what she has in store for her students. Transition aged students practice independent living skills and job related skills to help prepare for when they have completed their time at Jordan Valley. Starting this month, students will be job sampling at Belgian Waffle Restaurant & Plant Jungle. They will continue to work in our studio apartment at school to practice making the bed and taking care of their clothes.

Positively PTA

Hello Amazing Jordan Valley Families!

Happy Fall! We hope your year is going well so far. It was great to meet a few of you at Parent Night Out during parent teacher conferences.

The PTA is off to a great start this year. We have been able to do dinner for the teachers during conferences. Our membership is growing. We would love to have you join us. Just go to <https://jordanvalley.memberhub.com/store> to join. There are no volunteer hours required, but if you have the time, we would love to have you.

*Our annual holiday boutique fundraiser is just weeks away. It will be held on Friday, November 12th from 4-7pm at the District Office. We raise funds by having vendors purchase tables to sell their items and also through a silent auction. If you (or someone you know) are interested in having a table to sell your items or if you would like to donate an item to our silent auction, please contact me by phone or text. Tables are \$30 and we welcome silent auction items of all sizes.

School Community Council

Our next meeting is Friday, Oct. 8th from 3:30-4:30 at Jordan Valley. If you signed up to be on the council, please plan on attending. Here's the link to our website where you can find meeting notes from September and the agenda for October.

Transition rooms are up and running. New communication devices haven't arrived yet, but we're getting things ready for when they do! We hired Mike Twede as an Adapted Field Tech to support all the technology coming our way!*

Chameleon of the Week Recap "I am ABLE."

*Students were recognized last month for their demonstrations of how they show they are **able** to do different skills throughout the school day! Congrats again to the following students!*
Frankie, Ashton, Jacob, Kaine, Jayson, Abby, Brayden, Lincoln, Marshall, Adriana, Finn, Jael, Noah W, Sammie, Steven, Stephanie & Timmy.
