- 24th-26th Thanksgiving Recess
- Dec. 1st - Spirit Productions Dance Company Assembly
- Dec. 20-31 - Winter recess

## Classroom Spotlight

Ms. Jana Wright and her students are excited to be receiving a new ceiling lift in their classroom. This will keep both students and staff safe as they transition from their chairs to the floor throughout the day for learning. There is a lot of energy within their walls and it's contagious as they learn & grow together!

## Positively PTA Corner

### **Boutique Fundraiser**

*It's that time of year that we all look forward to - our boutique! We are given one opportunity to fundraise for the PTA and our students each year. The boutique has been a great success in the past! We are hoping to help patrons get some early holiday shopping done by supporting our community members and their businesses. Join us on Friday, Nov. 12th from 4pm-7pm at the district office where 20 vendors will have their items on display for purchase. A treat table and silent auction will also be available. All proceeds from the table rentals and auction go to Jordan Valley's PTA.*

### **Message from the Principal**

## Chameleon of the Week Recap

### **"I can DISCOVER."**

*Students were recognized last month for the skills they discovered throughout the school day! Congrats again to the following students!*

*Aiden, Quinn, Emma, Charlie, Zohair, Daniel, Maren, Ethan, Mackson, Corrin, Emerson & Noah I.*

*The leaves are changing colors, the air is getting cooler and the jackets are coming out of the closet. I love the fall season and am so excited for the opportunity we have to reflect and give thanks for what we have. One of my blessings that I am thankful for each day is our Jordan Valley community. Thank you for your kindness and support. It is greatly appreciated!*
