- 21 - 31 Winter Recess/No school

January

- 3 - School Resumes
- 7 - Remote Learning at Home

Classroom Spotlight

After learning about volunteer work during their leadership lesson, Ms. Folkersen's class decided to prepare a donation drive for the local animal shelter. They composed a letter requesting items such as toys, food and treats for dogs and cats. The letter was sent out to our faculty and community. Then as donations came to school, the students in Ms. Folkersen's class came around and picked them up. They will be delivering them to the animal shelter this month! Thank you for all the donations!

Positively PTA Corner

Thank you very much for your support at our fundraiser last month! The boutique and silent auction items raised \$2500. These funds will be used to provide teacher grants and host the staff dinner during parent/teacher conferences in March, as well as Teacher Appreciation gifts in May. We are looking forward to reading the proposals teachers prepare in support of their students! If you have any interest in being a vendor or donating a silent auction item at next year's boutique, please send an email to beccastradling@gmail.com. We're always looking for new merchandise to keep the boutique current and exciting.

Gearing Up for the Holidays

Supporting our families

We are so blessed to be the recipient of so many donations throughout the holidays. Our neighbor, St. James Episcopal Church, donated 25 Thanksgiving baskets and additional gift cards for the upcoming holidays. We also receive generous donations from businesses throughout the valley. We will also be welcoming a visit from Santa Claus, accompanied by The Belgian Waffle & Omelet Inn staff bringing holiday goodie bags for all the students.

Chameleon of the Week Monthly Recap

"I am AWARE."

*Students were recognized last month for their demonstrations of being **AWARE!***

Congrats again to the following students! Ava, Hailey, Chase, Julia, Lily, Moses, Caleb, Cristel, Max, Statham, Ali and Victor. This month we will be focussing on how we can be polite.

School Plan Updates

We have received all the iPads and are preparing them for student use as communication devices. We are so excited to see continued growth for our students in their ability to communicate with others. We also continue to purchase groceries for our mock grocery store where students pick out items to prepare in the Home Ec. room.
